CITY OF SALEM 2005 RESIDENTIAL SECTOR STREET SWEEPING SCHEDULE

The calendar below is designed to let you know exactly what day and what side of your street will be swept. Residential sectors will be swept from 7AM to 3PM. Sweep days are the day after your trash day. If your trash day is Friday your sweep day is Monday. To find your street sweeping dates, just locate your street in one of the two columns under your sweep day and match your street name color with the same color date on the calendar. Please help us keep our City clean by parking your vehicle(s) on the opposite side of the street during your scheduled sweeping day. *(Please note: Certain weather conditions prohibit the use of the street sweepers: during moderate to heavy rainfall and extreme cold temperatures, sweepers will not be able to operate. There will be no street sweeping on a holiday. Also, please be aware that certain public works emergencies, projects, staffing and/or equipment issues may be cause for the sweeper to be unable to complete its daily route. In all these cases, the sweeper will return to your street on its next regularly scheduled day.)*
